

**National Institute of Technology Durgapur, INDIA**

Dear **NITD / RECD alumni,**

NIT Durgapur has started preparing a database of its alumni. Kind support from all the alumni is solicited. The database form includes detailed information of the alumni as well as their valued feedback on the Program Outcome & Program Educational Objectives. The response is urgently needed for the accreditation of its academic programs and ranking surveys.

Please click the link <http://www.nitdgp.ac.in/nitdalumni/index.html>.

Kindly fill in the form and register. The whole exercise is likely to take about 20-30 minutes. **Please note that the Registration number and Roll No. are NOT mandatory fields.**

We shall be most obliged if you kindly forward the registration request to other alumni with whom you are in contact, through email, phone, social media, etc. so that we are able to build a most comprehensive alumni database.

With best regards,

**Dean (Alumni, International Relations and Outreach)**
