Placement Policy 2016-2017

Considering the present economic scenario in terms of number of recruitments and the students intake strength , the Placement Policy of the Institute may be drawn as under:

Placement Policy:

- 1) Every student can opt to appear in all the following placement process ;
 - a) Selected IT companies designated as Mass Recruiter.**
 - b) Core sector Companies**
 - c) PSU/ Government Organizations****
- 2) Every student can accept one job offer from category 1(b) & 1 (c) and any number from category 1(a). However if a student is offered with category 1(c) at the first instance, then he or she is not entitled to category 1(a) & 1 (b). But a student offered with category -1(b) and he/she accepts the letter of intent or offer letter from the company, he/she is not entitled for any other job. In other cases he/she can opt for category 1(c) but not category 1(a).**
- 3) After notification, the student has to express his/her willingness. After expressing willingness, if a student is found to be absent in the Placement Process, without sufficient reasons, then he /she would not be given any further chance for at least three companies entitled for the respective branch.**
- 4) Students with Supplementary cannot appear for any placement process till clearing the same.**
- 5) POOL campus shall be organized with the prior request of companies and as approved by Director from time to time.**
- 6) As the placement process is official , so student shall be eligible for attendance on the placement dates and respective department should arrange to take attendance for their students.**

This is as per the approval of the competent authority.
