2. Book Name : Computer Networks and Intelligent Computing

Title of Chapter: Development of Edge Detection Technique for Images using Adaptive Thresholding.

Authors Name : Debabrata Samanta and Goutam Sanyal

Publication: Springer Communications in Computer and Information Science.

ISBN: 978-3-642-22786-8 **Page No:** 671-676, Volume 157.

Link : <http://link.springer.com/book/10.1007/978-3-642-22786-8/page/5>

3. Book Name : Wireless Networks and Computational Intelligence Communications

Title of Chapter: Novel Shannon’s Entropy based Segmentation Technique for SAR images.

Authors Name : Debabrata Samanta and Goutam Sanyal

Publication: Springer Communications in Computer and Information Science.

ISBN: 978-3-642-31686-9 **Page No:** 193-199, Volume 292.

4. Book Name : Wireless Networks and Computational Intelligence Communications

Title of Chapter: Extraction of panic expression from human face based on Histogram Approach.

Authors Name : Md Alamgir Hossain, Debabrata Samanta and Goutam Sanyal

Publication: Springer Communications in Computer and Information Science, Volume 292.

ISBN: 978-3-642-31686-9 **Page No:** 411-418.

Link : <http://link.springer.com/book/10.1007/978-3-642-31686-9/page/3>

5. Book Name : Wireless Networks and Computational Intelligence Communications

Title of Chapter: Extraction of panic expression from human face based on Histogram Approach.

Authors Name : Md Alamgir Hossain, Debabrata Samanta and Goutam Sanyal

Publication: Springer Communications in Computer and Information Science, Volume 292.

ISBN: 978-3-642-31686-9 **Page No:** 411-418.

Link : <http://link.springer.com/book/10.1007/978-3-642-31686-9/page/3>

6. Book Name : Image and Signal Processing

Title of Chapter: An approach of Tabu Search for unsupervised classification for SAR Images.

Authors Name : Debabrata Samanta and Goutam Sanyal

Publication: Elsevier Science and Technology Publications. **ISBN :** 9789351071068

Page No: 121-126.
