Webinar Invitation

**GENDER BIAS AND STEREO TYPING,
GENDER EQUALITY AND WOMEN'S
RIGHT**

SATURDAY

JUNE 27, 2020

7-8 PM

Hon'ble Director Prof. Anupam Basu- Guest of Honor

The engineering education plays an important role in shaping the future of the world society in terms of proposing sustainable technological solutions. To build a sustainable future, all gender must be included in solutions and decision-making.

Gender Equality (GE) and women's empowerment are fundamental in promoting resilient, democratic societies.

The aim of this webinar is to build general awareness for upgrading gender equality in engineering education.

Please note: We have a limited number of seats. Interested attendees will receive an email confirmation after registration. They will, however, be accommodated in this **free webinar** on a first come-first served basis. We request you to log in using MS Teams link (to be sent to your email ID) 5 minutes before the scheduled time.
